

LAC CO., LTD.**2016 JAPAN MANAGED SECURITY
SERVICE PROVIDER OF THE YEAR****Analyst Quote**

LAC is one of the most experienced managed security service providers in Japan, whose security services are gaining increasing popularity among local businesses due to the evolution of sophisticated cyber-attacks. Moreover, LAC's focuses on advanced security services such as -malware protection, incident response and forensics have enabled it to resonate well among businesses and helped drive its growth in 2015.

In addition, LAC's ability to provide high-quality security services by leveraging on its experienced security analyst and engineer teams in one of its largest Security Operation Centers in Japan.

As a result, LAC deserves to win the award for the second consecutive year with the high evaluation for our award criteria of 1) Market share, 2) Revenue & revenue growth, 3) Growth Strategy & Implementation, 4) Excellence Degree of Innovation with Products and Technologies.
